

AKERBOOM

global service network

ELEVATING YACHT SERVICE & REFITS

Rely on Akerboom's Global Service Network for swift, expert service and refits, ensuring your yacht operates at peak performance. From routine maintenance to complex overhauls, our team delivers precision, reliability, and efficiency—wherever your yacht takes you.

GLOBAL SERVICE NETWORK

AKERBOOM@AYEHOLLAND.NL

Fast and efficient repairs for equipment and propulsion shaftlines to minimize downtime.

Comprehensive maintenance, including Lloyd's surveys and full system checks.

Complete refit with in-house engineering, installation, and commissioning.

Precision upgrades and replacements for boarding equipment and control systems.

Tailored solutions with custom-build equipment for unique yacht specifications.

OEM Expertise

Backed by 160 years of heritage, with original design knowledge, IP, and production insights.

Global Support

Comprehensive service and maintenance, with technicians available worldwide.

Strategic Locations

Strategic global service locations in the Netherlands, West Palm Beach and Barcelona, ensuring rapid response.

Innovative Solutions

Innovative technical solutions tailored to your yacht's needs, enhancing performance and reliability.

Seamless Upgrades

Seamless refit and upgrade services with in-house engineering, installation, and commissioning.

Akerboom's expertly trained craftsmen combine traditional skills with advanced technology, ensuring precision, efficiency, and seamless results—driven by in-house training and direct collaboration without intermediaries.

Specialized Expertise

120+ specialists, including 20 design engineers, 30 certified welders, and 45 service engineers.

In-house Talent

Our entire team is fully trained, with 50% having completed their training through the Akerboom Academy.

Dedicated Team

A specialized service team, separate from our new build team, ensuring focused support.

Direct & Efficient

No intermediaries—just fast, organized, and precise execution.

Expert Support

A team of service coordinators as your direct point of contact, ensuring smooth and tailored support.

Akerboom's refit solutions keep yacht equipment performing flawlessly, even decades after installation—like on the 1993 Feadship Double Haven.

Enabling flawless experiences through craftsmanship and innovation.
